Muff, the teddy

Muff, the teddy sometimes said
That he was a bit afraid
'cause his loving teddy-mummy
Annie was a little funny
Muff, the teddy sometimes said
That he was a bit afraid
'cause his loving teddy-mummy
Annie was a little funny

When he was in Annie's room
Annie was awakening soon
Muff was sitting on her bed
Good morning, teddy, Annie said

Then they drove with Annie's mum
To the centre of the town
To the great, big shopping mall
Muff and Annie, mum and all

Muff, the teddy...

It happened on the journey home
Muff got lost somewhere alone
Not until she went to bed
Where's my teddy, Annie said

Muff, the teddy...

I beg you, please, do not be scared
Let me tell you what I've heard
Muff, the teddy had been found
By a kid somewhere around

(And what do you think the kid did then?)

He was honest, yes, the kid
Brought Muff back, oh yes, he did
Mummy said, please, Annie, lend
Your sweetest teddy Muff your hand

Yes, he was honest, yes, the kid
Brought Muff back, oh yes, he did
Annie, if you're here or there
Of Muff the teddy please take care
